CLASS OF 1998 GRADUATION

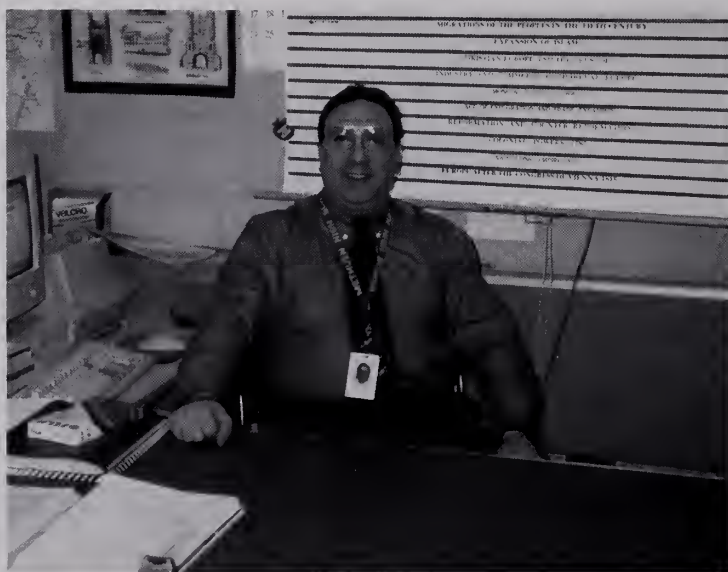

Mr. Whiting – Senior Class Advisor

Mr. Whiting has not only been an advisor to the senior class of 1998, he's been a leader and counselor to our class. He has guided us throughout the year helping us put together the senior year that we have dreamt of. Without your help Mr. Whiting, our senior activities would not have been. Thanks for the great year!

Mr. Angelari – Yearbook Advisor

Mr. Angelari has helped the senior class put together our book of memories. He has been the one behind us, supporting the people working on the yearbook. We, the class of 1998, would like to thank Mr. Angelari for once again, producing a great yearbook for us to cherish the memories of our senior year. If not for Mr. Angelari and a few select people, this yearbook would not have been produced.

Dedication to Mr. Winegar

Methuen High School is known for many great things, such as sports, academics, and our unique social environment. Yet all great things must come to an end. And yet again, we must lose a great principal. Within the few years Mr. Winegar was at MHS he has made an great impact on the student body. If you ever needed to talk to him he always had an open door. You could always catch him and his wife at many MHS sports events, and even at Apple-see's. There are few principals as great as Mr. Winegar and he will be greatly missed. Good Luck in Springfield and in all future endeavors.

Lee Anna Belton

Yearbook Staff

Principal Jerome C. Winegar

Mr. A. Steven Francis, Assistant Principal

Mr. Francis has been a great role model in the past four years here at Methuen High School. In being the most senior of all the administration in years spent at MHS, you have developed a true knowledge and honor of your profession. You are one of the most dedicated people for the students at Methuen High and you will be remembered for your involvement in each of our lives. The yearbook staff and seniors would all like to thank you sincerely for the involvement in our lives. We wish you the best.

Jane Obshatkin, Vice Principal

In only your second year with us, you have already made relationships and ties that will last forever. You have incorporated yourself into Methuen High School with the utmost professional qualities and established a personable friendship with the students and staff. We wish you further success at Methuen High School and we know you will be a lasting figure in the foundation of the school. We wish you luck in the many years you may have at MHS.

Suzanne Kelly, Assistant Principal

In your first year as an administrator at Methuen High School, you have developed a great relationship with many of us here. We are unfortunate to have only known you for a year, but I know we will see your smile in the hallway when we come back to visit. Along with the other administrators here at Methuen High School, you have developed a great professional and personable relationship with the students and staff. We wish you the best of luck at MHS.

FOOTBALL

Up and Down Year For The Men in Blue...

This year's football season went through many twists and turns this year as the team finished up at 4-4-2. The team started out strongly by mauling Danvers and overpowering Andover for a combined score of 54-12 and a shutout of Andover. Central was next and the hype was at its highest going into that week. Methuen however didn't fit the bill as the Rangers went down to the eventual Super Bowl champs 29-0. This game proved to be a major turning point in the season as the team went on to lose two out of the next three losing to Billerica in a heartbreaker and to Haverhill which was a major disappointment to the team. However, the team overcame Adversity as Methuen hosted Tewksbury, the defending Super Bowl champs. The game started off with a bang with a perfectly executed special teams play when Kenny Howshan returned a punt 66 yards for a touchdown. Methuen pulled out a triumphant victory however with a comeback touchdown in the final moments on a touchdown pass from Fountain to LaTulippe. The victory was sealed with a Dave Beaudoin interception on Tewksbury's final chance. It was then time to host Lowell, another MVC powerhouse that was favored to beat the Big Blue. The game, through a cold snow shower, proved to be a dogfight and ended in a 14-14 tie. With two games remaining, the Rangers next faced an up and down Chelmsford team on Chelmsford's "frozen tundra." This game turned into a shootout on the ice as it became more of a passing attack for the Rangers. Sonny Fountain had possibly his overall best performance of the season and so did his receivers. This game, however, ended in a 28-28 tie.

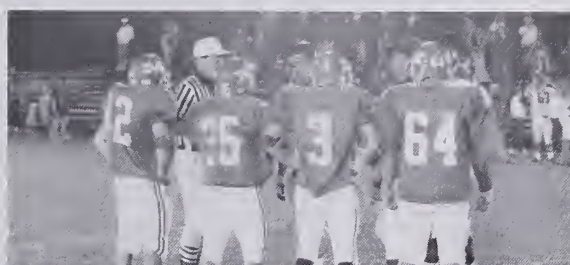

The Rangers, now 4-3-2, faced their season finale traveling to Dracut for the Turkey Day Classic. Methuen however faced a tougher team that day and lost in a lopsided but disappointing game 27-0 to end a roller coaster season. The season however taught the team how to overcome adversity when at its weakest. The victories were special and the losses, like any loss, were frustrating and disappointing. The 97 season for the rangers had its difficulties but those difficulties were overshadowed by the amazing victories that showed the rangers were a force to be reckoned with.

Captains: John Rumore, David Beaudoin, David Sevigny, Kenny Howshan, David Kerrins.

Unfortunately, the season did not go as planned, but the experience of high school football was unforgettable. I wouldn't trade my teammates for the world.

— David Beaudoin

Fall Cheerleading

The MHS Cheerleaders went through some changes this year. First they had to start off with a team made up of mostly all new girls. Not to mention there new coach Tracy Woronka. They also had their first male on the squad. Yet, all these obstacles made them a great team. Under the direction of the tri-captains they had all the spirit and school pride that makes our cheerleaders the best in the MVC. Good Luck!!!!

The 1998 boys track team went 5-1 this season beating Tewksbury, Andover, Billerica, Lawrence, and Dracut. This season however was highlighted by an impressive performance from the whole track team versus Haverhill. WE WILL MISS YOU DEIDRE

FOREVER IN OUR
HEARTS DEIDRE
WITH LOVE AND
HONOR.
THE CLASS OF 1998.

Remember the Days

Remember the days of the past,
As we spend our last days as a class.

Remember the day we arrived freshman year,
It's come to an end as we shed our last tear.

Remember the days spent avoiding the "advanced" security cop,
As we departed for lunch when there was no turkey slop.

Remember the day we all first met,
As we say goodbye to the friends we will never forget.

Remember our school as the one with the orange halls,
You would've thought they'd at least build us walls!

Remember going to Applebee's after Friday night games,
Without our senior class "Apps" will never be the same.

Remember Mr. Winegar and our two years together,
The senior class thanks you and will miss you forever.

Remember when the senior girls fell in love with Central guys,
Those next three years only problems would arise.

Remember the rivalry for it will never end,
What a shame these two schools just couldn't be friends.

Remember the fun times we've had in the past,
It seems like these four years have gone by too fast.

Remember the senior prom as we celebrate,
Have the time of your life as it's getting late.

For when midnight arrives we'll get that last chance
To hear the last song and dance the last dance.
